

Rise beyond the HORIZON

Mel Miller Memorial Award

This award was established in memory of long-time Macomb County educator Mel Miller who sought to teach students the highest level of personal involvement in the pursuit of equality for others. It is designed to focus on the important role of education in helping students “rise beyond the horizon” in vision and in action as they become the future citizens of the world.

The Interfaith Center for Racial Justice in partnership with Macomb Intermediate School District is pleased to present the 2022 Rise Beyond the Horizon – Mel Miller Memorial Award to:
